OPMAD offers a wide variety of fun-filled educational based programs. Your scholar will enjoy learning through hands on activities and games. Each group will have a designated time to focus on homework followed by various enrichment activities such as math games, fun with science, language and dance.

Volunteers are welcome to share their special hobby with the scholars.

Breakfast will be provided during the morning program. A snack will be provided during the afternoon program.

OPMAD offers family/parent activities throughout the school year. Information for these events will be available to you at our Sign-out table at pick-up time.

For more information, call Sharon Tripp or Annie Sablon at the OPMAD office- (860) 548-0301.
